Overview

The American Rope Horse Futurity Association was formed to bring attention to the futurity aged horses in the same way that the cow horse, cutting, and barrel industries had already capitalized on. Media coverage of the ARHFA, including its events, programs, and activities, is central to the association's continuing efforts to promote and grow the sport. The purpose of this media policy is to set forth enforceable guidelines for appropriate content-gathering and distribution at its premier events. This policy also safeguards the ARHFA's relationship with its official photographers and official videographer in which are determined per event.

Questions and feedback about the Media Policy may be directed to:

Visitor Policy

Visitors, spectators and exhibitors at American Rope Horse Futurity Events are permitted to take photographs and record video for personal use only. *Visitors, spectators and exhibitors are strictly prohibited from taking photographs and video for commercial distribution, including printed publications, web sites, social networking sites or similar media.* This policy applies to the arenas at ARHFA events.

Professional photography equipment, including, but not limited to, cameras with lenses longer than 4 inches, tripods, monopods, or any video camera mounted on a tripod or other stabilizing device are not permitted under any circumstances. Media representatives with ARHFA approved credentials or photographers who have paid the licensing use fee are the only exception to the "professional photography equipment" clause of this policy.

The ARHFA will eject and/or indefinitely ban from its events anyone who provides, or intends to use, photo or video footage in violation of this policy.

Media Policy

Media credentials may be issued, at ARHFA's management's discretion, to journalists/photographers/videographers on assignment for recognized magazines, newspapers, websites, television and radio networks, and other approved media outlets.

Anyone seeking media credentials is required to complete the *Media Credential Request Form*. Forms will be available at www.americanropehorse.com, or by request from the ARHFA Communications & Media Management at

- Applicants must submit a new form annually. Approval is valid for the entire ARHFA show season, unless the media policy is violated and the media credentials are revoked.
- Each individual must have a Media Request Form on file, even if there are multiple individuals representing the same media outlet. There will be no exceptions to this policy.
- Media representatives are encouraged to submit their Media Credential Request Form at least a week before the first day of competition.
- Anyone who wishes to apply for media credentials while the show is underway must complete a Media Credential Request Form, await approval by the ARHFA and receive a media badge before access will be granted.

Photographers and videographers must provide proof of assignment from an approved publication or network before credentials will be issued. Acceptable proof of assignment includes validation in writing (via email or on letterhead) from the assigning publication or network. Freelancers receiving credentials on this basis must also agree that the content (images, interviews, etc.) they gather will only be used for that assignment, and not for future work.

Content creators for websites and/or social media outlets will only receive credentials if they cover the ARHFA regularly, provide consistent news/feature updates, or represent a local tourism-based outlet in the area where the ARHFA Event is taking place.

Marketing/Commercial Policy

The ARHFA supports its valuable partners and sponsors, and recognizes that their business-related and revenue-generating endeavors are connected to ARHFA Events.
