Failure to have correct back number on or exhibiting the incorrect horse displaying back number announced will result in a "Zero" score. The ARHFA staff is not responsible for making sure each horse has the correct back number on. This is the sole responsibility of the rider.

J. Scratches and Refunds Rule

1. All scratches must be done prior to the draw at all seasonal events to receive a refund.
2. Refunds will not be issued to anyone that scratches after the draw has been published.

K. Cross Fire Rule

1. Cross firing at an ARHFA Team Roping event will result in a "disqualification". Cross Fire will not be permitted at any of our events. The direction of the steer's body must be changed before the heel loop can be thrown. However, if the steer stops, it must only be moving forward for the heel loop to be legal. Any heel loop thrown before the completion of the initial switch will be considered a crossfire and a no time, no score on the run. Animal must be in tow before the heel rope is released. The judges and flagger have final decision.

L. Barrier and Leg Rule

1. A broken barrier by the header or heeler is a 10 second penalty. If header and heeler both break the barrier only 1 barrier penalty of 10 seconds is applied to the run. There is a 5 second penalty for roping a leg.

P. New Steer Rule

2. If the steer stumbles leaving the chute and barrier is broken out will receive a new steer. If barrier is not broken the rider can choose to keep the score received on the run, or get a new steer.

Q. Reviews

1. Required Reviews— when there is a 6 or more-point spread the ARHFA judges monitor will request that the judges review the run on the video. All reviews will take place on a drag. If the rider's score is adjusted, the announcer will announce the adjusted score once the drag is complete.

R. Scoring Rules

1. All classes are timed with an electric eye on both sides (heading and heeling). Scores are based on two judges scores, plus the time recorded. Example of an ARHFA score (see score sheets on our website for more detailed information).

A. Judge 1 = 70 points, Judge 2 = 70 points, score is 5.0 which is (80-time) = 75points, total

B. If there is a tie in a go round or short go the money will be added together and split. If there is a tie for first place in the short go the exhibitors can either run it off or flip for the awards and split the money.

T. Rider Changes and Injury to Rider or Horse during Rounds 1, 2, or 3 of any classes Rule
